## 1. EDUCATION

Degree	Institution	Score
Bachelors in computer Engineering	Pokhara Engineering College	-
Higher Secondary Education	Notre Dame Science Campus	72%
Secondary Education	Shree Satyawati Secondary School	82%

## EXPERIENCE

1. **Dokan:** This is my latest project where you can see and buy products online. It has an online payment system, cart system, reviewing system, dark mode, and many more. It is built using the MERN stack.
2. **Weather App:** This project was built on knowing about the current weather condition of a particular city on the basis of the search. Built with React JS.
3. **Movie Review App:** It was built to know about the upcoming, latest, and most popular movies and tv shows. Built with React JS.
4. **Restaurant Website:** This website was built so that people can order food and book tables from anywhere. Built with ruby on rails and bootstrap.
5. **Blog:** This web app allows you to post blogs and read others' blogs. Built using the MERN stack.
6. **School Website:** A web app of a school made with Next JS, MongoDB, NextAuth, Tailwind CSS.
